VOL. 28

NO. 78

SEPTEMBER 2015

President's Message

By Fred Francis

A NUMBER OF VERY IMPORTANT DECISIONS HAVE OCCURRED IN THE LAST TWO MONTHS.

1. Hollybrook has completed our search for a new Restaurateur. Mr. Alan Goodman, Florida Restaurant/Catering & Concession Group, LLC.
2. The Strategic Planning Committee has worked all summer. They are now finalizing their plans to submit to myself and the Board of Directors.
3. Work has begun on the Grills/Pool area.
4. We will be meeting with the Budget Committee formalizing our requirements and needs for both fiscal years, both short and regular periods.
5. We are in the process of reconciling our inconsistencies between Hollybrook's Declaration, Bylaws, and Articles of Incorporation. We will do this under the direction of our legal advisors.
6. With the reopening of the restaurant, we are now doing a complete cleaning of the kitchen and dining room.
7. The summer season has seen an abundance of golfers taking advantage of our opening the golf course for outside play. This will help offset the cost of maintaining the PGA course and the Par 3 course. As in past years, we are not just cutting the grass on the Par 3 course. This course was utilized last year a hundred fold from previous years. The golf maintenance crew has done an outstanding job of not only caring for the course, but continuing to improve on it.

With all the positive things happening, it is important to mention those individuals that give their time and efforts towards accomplishing our future goals and objectives. Hollybrook is moving forward and good things are happening for all to benefit from. *(Continued on page 11)*

I've always heard that on the brink of death, your whole life runs through your mind! **Bunk!**

On the brink of death, when the car window is crashing into your head, what you see isthe car window! People rushing at you! Everyone yelling, "are you alright?"

Of course I'm not all right, dummy, a 2 ton car just smashed into me/us. The accident that turned our new car into a blue pretzel and almost totaled the Crodgen family, took place on June 12th, as we were leaving a restaurant we were trying out and will never return to.

We have been fighting through our injuries, especially Irv, who sustained breaks, surgeries, and tears and lots of terrible stuff.

My head still aches and the rib that broke still makes sleep impossible, but you haven't gotten rid of us yet... **WE'RE BACK!**

Upon my return, I found a letter from a "concerned unit owners group" on my desk. The VOH does not print letters that are unsigned.

THE EXODUS

Where is everyone going? So many of our friends are disappearing....from the card & Mah Jong games, golf and tennis and from our lives.

Some have chosen Independent Living, others are going to the comfort of their children.

So many have become ill and/or passed away. These people were the

backbone of our very Social Society and we will miss them.

To those lucky enough to be able to choose their destinations, we wish you good health and good luck...and when you think of your 'old' friends and your life here, **SMILE!**

Meanwhile the Sales and Rental office is busy signing in lovely new people to fill the void.

WELCOME NEWBIES !!

YOU'RE GOING TO LOVE IT HERE.

We are introducing 2 new columns this month. Our own Angelica Schack, 43/201 will be interviewing our people with **HIDDEN TALENTS!**

Her first column shows how well she writes. Thanks, Angelica.

Our CEO, Paul Ray will also be writing a column, **HOLLYBROOK**

I must start my column off on a serious note. Gail Shayer, one of our three Directors of Phase 5 has been going through a battle with brain cancer. She has had surgery and is now going through speech therapy and also therapy to regain movement on her left side.

Donna Cooperman is a very good friend of Gail's and has visited her almost every day in New Jersey, and is keeping all of us informed of Gail's progress. My thoughts are with Gail and I know she is a strong woman and will win this battle.

The restaurant interviews are over and I would like to thank the Restaurant Committee for their time and

9/11 Memorial

The National September 11 Memorial & Museum (branded as 9/11 Memorial and 9/11 Memorial Museum) is the principal memorial and museum commemorating the September 11 attacks of 2001, which killed nearly 3,000 people, and the World Trade Center bombing of 1993, which killed six. The memorial is located at the World Trade Center site, on the former location of the Twin Towers, which were destroyed during the attacks. The World Trade Center Memorial Foundation was renamed the National September 11 Memorial & Museum at the World Trade Center in 2007.

A 9/11 Story -- ROSELLE'S FINEST HOUR

(FROM THE READER'S DIGEST)

The morning of September 11th, 2001, computer sales manager Michael Hingson, who is blind, arrived early at his office on the 78th. floor, North Tower, World Trade Center, to prepare for a meeting. As he worked, his guide dog, Roselle,

a Labrador retriever, dozed at his feet.

At 8:46 a.m., a tremendous boom rocked the building, eliciting screams throughout the floor. Michael grabbed Roselle's harness trusting that the dog would lead him out of danger,

& they navigated toward the stairwell. "Forward," Michael instructed, & they descended the first of 1,463 steps to the lobby. After 10 floors, the fumes from the jet fuel made it hard to breathe. When a wom-

HOLLYBROOK GOING FORWARD

by Paul Ray, CEO

Hello to all who call Hollybrook home...I hope that you are enjoying the summer months whether you are here in South Florida sweating it out with us or if you have retreated to cooler climes for a while. From my perspective as we approach a year since the change to the Hollybrook organization that created my position, I would like to state that I truly see this as a generational time for this community. Whether it is my day to day interaction with residents, in the context of Board level discussions and meetings, or in my ongoing engagement with hard working groups such as the Strategic Planning or Restaurant Search Committees, there is a new vibrancy in the air around the property. It is my hope that all will embrace this new mindset as I believe that every unit owner stands to gain from the changes that we are working toward, both in the short -and- long term.

Over the next 2 months in this column I would like to offer two high visibility examples of this new approach that Hollybrook stands poised to capitalize on. This month's example is the recent selection of Alan Goodman and his dynamic team of highly experienced food service professionals to run our restaurant. We are on track to re-open the restaurant under his management in early September and

we are working very closely with him to get the restaurant fully ready for the resumption of operations and the upcoming winter season. As many of you know, Hollybrook utilized the services of a company called Restaurant Placement Group (a headhunter firm) to assist the search committee in the identification and vetting of potential operators for our restaurant. Due largely to that company's tireless efforts on our behalf, we have been rewarded with a restaurateur who has the vision to take food and beverage operations throughout Hollybrook in a myriad of new directions that can realistically turn the Hollybrook Restaurant into a self-sustaining operation. I do not believe it is an overstatement on my part when I say that if the relationship between Hollybrook and Mr. Goodman does not work out it will not be a result of his efforts to run our dining room and catering operations failing short. It will in all probability be because Hollybrook has impeded his ability to conduct his business in an efficient and market driven manner. And note that I did say "his business." This is an aspect of the Hollybrook Restaurant dynamic that too often gets downplayed -or- outright ignored.

They say that a rising tide lifts all boats and the restaurant

under Mr. Goodman's direction can be that tide within our community. The challenge to the rest of us is to embrace the success of the restaurant and not see the relationship between Hollybrook and the people who have stepped in to operate it as an adversarial one. We should expect to see shortly that the success of the restaurant is a significant driver in the overall tenor of this community at large. I pledge to do my part to facilitate the success of the restaurant within the bounds of the authority vested in my position and subject to budgetary constraints that operate in this and all other areas of our management of Hollybrook. I challenge the residents of Hollybrook to join me in pledging to do their part to enable the profitability and sustainability of this newly revitalized restaurant venture right from the start.

Next month I will speak to the changing budgetary/financial environment at Hollybrook and what is in store over the next 7-8 months due to the upcoming change to our fiscal year and the transition to a new reserve funding model to be fully engrained in our budget process going forward. I look forward to communicating with you again then, if I don't see you around the property in the meantime. Thank you for your time.

effort. They did a superb job in finding us (who I think is) a very qualified Restaurateur. They overwhelmingly chose Alan Goodman and his team. When brought to a vote at the Board of Directors meeting, the Board voted him in unanimously. Mr. Goodman is now looking to open up the restaurant September 4th, Perhaps for Labor Day. I am very excited to see our restaurant open again.

We are starting to redo any planter boxes in Phase 2 that are in distress. We will be

putting in mini azoras which have a beautiful red flower. It grows vertically and will allow us to shape it nicely.

Ira Wolf has resigned from Animal Control. I would like to thank Ira for his dedication and the good ideas he has come up with to improve our system. We are now looking for a Chairman for Animal Control, so if you are interested please contact me.

I would also like to point out that we are keeping a close eye on people who speed and don't come to a complete stop at the stop signs. Any irresponsible driving in Hollybrook will not be tolerated.

I would like to thank Betty Furman for baking a cake and bringing it to our Administration building every Friday morning. It is delicious.

Staying on the subject of food, our barbeque areas are being replaced with new barbeque grills and beautiful stainless steel counter tops and backsplash. I have seen some of the work and it looks beautiful.

I am looking forward to seeing our snowbirds dwindle back and I am looking forward to a great winter season.

Enjoy our Paradise!

Sincerely, Carl

THE RESTAURANT SEARCH COMMITTEE

The nine people on the restaurant search committee have worked diligently for 2 ½ months, to find a suitable restaurateur. They have delved deeply into the backgrounds, lives, finances and intentions of the many contenders.

The top three choices were made, and we thank the committee for their time and effort and patience.

Chaired by Marilyn Shapiro,

They are, Peggy Belcher, Roberta Cohen, Irv Crodgen, Virginia Klar, Micheline Parsons,

Paul Ray, Saul Shechter, and Joanne Summer.

On Friday, July 31st, the Board met and questioned the three restaurateurs, two, accompanied by their chef/managers, and event planners.

On Monday, August 3rd, that choice was ratified by the Board.

They are setting their sights on a September 4th opening.

We welcome you and your people to Hollybrook, Mr. Goodman, and look forward to having many good experiences in our restaurant.

I hear your desserts are super!

Men's Golf Association

By Mike Levine

We lost another one of the good guys. Ralph Dunn was a long time resident and golfer who always had a joke and a smile. Ralph was a charter member of the Veteran's Tuesday Breakfast club for many years. He will be missed.

I wish all the Hollybrook golfers could see the fantastic shape our golf course is in at the present time. One of the best remarks was, (are we playing the masters here next year?). That is the kind of shape the course is in because of Joe Cone and his merry men.

We are not having much rain, in fact we are having a terrible drought problem.

Our pro Rob & our new golf course co-ordinator are doing a great job of keeping the golf course busy. It is the first time we have used the golf course for summer play. It has brought in income we have never enjoyed before.

Speaking of the golf course during the season, we have a group of volunteers led by Bob Hecht, fixing ball marks on our greens. How about giving these guys a break and fixing yours. A properly fixed mark will be repaired in 24hrs and keep our greens playing in championship shape.

GREEN'S REPORT:

Fertilized both courses with

Ron Star (herbicide) granular.

Edged cart paths on champion course.

Aerified and top dressed all greens both courses.

Aerified all fairways and tees on both courses.

Verticut greens and topdressed on both courses.

Dear Saul,

I want to take this opportunity to express my sincere gratitude and thanks to you and all of the great folks at Hollybrook Golf and Tennis Club for your ongoing support of The First Tee of Broward.

Donations such as yours help us to deliver the Life Skills Program of The First Tee to many young people throughout Broward County. It is our goal to continue to introduce these youngsters to the great game of golf while at the same time, integrating our character education curriculum. In order to reach that goal, we rely on the support of individuals, groups and organizations that are aligned with our mission, so once again, many thanks to you and the members from HGT!

I have very little tennis news for you because most of the big matches are being played around the world, but they are not the Opens. The next important tournament will be the U.S. Open in New York, which many of you New Yorkers have probably attended (although probably a few years ago!!!). I'll be reporting all the news of this event in the next Voice.

I'm happy to tell you that Nadal did much better in the Mer-

cedes Cup final in Stuttgart, Germany. Nadal saved all 4 of the break points he faced & converted 2 of his own to defeat the 4th seeded Monfils. Monfils lost despite serving 11 aces compared with 0 from Nadal. Let's hope this is the end of all of Nadal's physical problems.

I did watch an excellent match between 2 newcomers in the women's tour in the Bank of the West Classic, which was sponsored by the Emirates Airline. The match was won by Pliskova but Lepchenka gave her a run for the money. Keep your eyes on these 2 names. I witnessed excellent serves & great playing worthy of top seeded women like Serena Williams.

Looks like in the next couple of months our courts will start to see an increase in activity..... welcome back to our Snowbirds.

COOKING

To most people, Labor Day means the end of summer—and that's the way it's been celebrated since 1893! We all want to enjoy the last summer weekend by relaxing, spending time with family and friends, not worrying about work, and most of all, EATING! Who could ask for a better holiday?

BASIL AND SUN DRIED TOMATO CRESCENTS

2 tubes (8 ounces each) refrigerated crescent rolls

2/3 cup butter, softened

1/2 cup minced fresh basil

1/4 cup oil-packed sun-dried tomatoes, patted dry and finely chopped

1 teaspoon garlic powder

Preheat oven to 375 degrees. Unroll each tube of crescent dough; separate dough into eight triangles. Roll up and place

2 in. apart on baking sheets, point side down; curve to form crescents. Bake 11-13 minutes or until rolls are golden brown. Makes: 16 rolls.

FISH SOUP

1 can Progresso New England Clam Chowder

1 can Geisha whole clams

1/2 pound shrimp - heads off

1/2 pound fileted fish, cod, snapper, grouper, mahi or sole (not tilapia or catfish)

1/2 pint of half and half cream

1 large onion (larger than a golf ball, smaller than a hardball)

3 ounces white wine

3 tablespoons of fresh chopped parsley

1/4 teaspoon basil

1/4 teaspoon paprika 1/4 teaspoon oregano

2 tablespoons butter

Melt butter, saute the onions until they begin to soften. Cut the fish fillets in 1 inch squares and the shrimp in half and sprinkle Old Bay Seasoning on both. Add fish and shrimp to the onions, add a little more butter if the onions absorbed it all. Saute the mixture until the shrimp are cooked, about 4-5 minutes. Add the clams, wine, 3 spices and parsley and stir over high heat.

Then add the cream and chowder and stir, add ground pepper to taste. Bring the heat down to a simmer and cook for at least 15 minutes. Don't cook for more than 25 minutes. Makes: 4 servings.

CHICKEN WITH CHERRY PINEAPPLE SAUCE

3 boneless skinless chicken breast halves (4 ounces each)

1/2 teaspoon garlic salt

1/4 teaspoon ground ginger

2 teaspoons canola oil

1 can (8 ounces) unsweetened pineapple chunks 1/2 cup sweet-and-sour sauce

1/4 cup dried cherries

2 green onions, sliced

Spinkle chicken with garlic salt and ginger. In a large non-stick skillet coated with cooking spray, brown chicken with oil. Drain pineapple, reserving 1/4 cup juice. In a small bowl, combine the sauce, cherries and reserved juice; pour over chicken. Bring to a boil. Reduce heat;

My Bridge and Yours

BY FRANK STEWART ✉ frs1016@centurylink.net

In these articles, we bid and play a deal, and you hear my thoughts. You won't agree with all of my actions because bridge is a game of style and judgment. My off-the-cuff analysis may be imperfect. That, too, is part of the game. Still, I hope you'll find it helpful to follow my thinking during a deal.

In a regional knockout teams, both sides are vulnerable, and as South I hold a promising hand:

♠AKJ82 ♥AJ3 ♦K83 ♣A2.

I'm in third seat and hear two passes. I could describe my strength and pattern with a 2NT opening, but I am never eager to crowd my own auction, and 2NT is a space-consuming action. Because I am also reluctant to suppress a good five-card major, I open 1♠. If my partner would have responded to 2NT, maybe he will respond to 1♠.

West, at my left, jumps to 3♣, preemptive, and my partner cuebids 4♣. He should have spade support, a maximum pass and a control in clubs. In that case, I can't see bidding less than 6♠, and even a grand slam is possible. Partner might hold:

♠Q1074 ♥872 ♦AQJ65 ♣6.

I start the search with a 4♥ control bid, and partner makes a 5♦ control bid in reply. He must like his hand – I wouldn't expect him to go past game for a control bid unless he had real slam aspirations – so I continue with 6♣, and partner bids 6♥. I can't count 13 tricks – we may have a diamond

loser – so I sign off at 6♠, and everyone passes.

West leads the ♣K.

♠ Q10976
♥ K42
♦ AJ92
♣ 5

♠ AKJ82
♥ AJ3
♦ K83
♣ A2

We had a reasonable auction and stayed out of an iffy grand slam. Indeed, I haven't made 6♠ yet. I take the ♣A, ruff my other club in dummy and draw trumps with the ace and queen, finding West with a singleton. Now it looks to be a matter of trying red-suit finesses and hoping something good happens. To attack diamonds first is correct because the suit may produce three tricks even if a finesse with the jack loses. I could play as safely as possible for three diamond tricks: ♦A, ♦K, then a third diamond toward the jack. But I doubt that West would hold four diamonds after his vulnerable club preempt.

Is there anything better?

My mind's eye is drawn to those diamond spots. Partner's ♦9 – an unbidable value – would make 7♠ a little better contract, but at 6♠ it gives me a sure thing. I lead the ♦J from dummy, intending to pass it if East plays low. If West has the queen, I won't mind. He will have to lead a club, conceding a fatal ruff-sluff, or lead a red suit, giving

me a free finesse.

As it happens, East covers the ♦J. I take the king and play the ♦A and a third diamond, making dummy's 9 high for the 12th trick. A different line of play might have failed because the full deal is this:

<p>♠ 4 ♥ Q76 ♦ 64 ♣ KQJ8743</p>	<p>N W E S</p>	<p>♠ 53 ♥ 10985 ♦ Q1075 ♣ 1096</p>
<p>♠ AKJ82 ♥ AJ3 ♦ K83 ♣ A2</p>		

At the other table, South opened 2NT, and West passed. When North transferred to spades with a 3♥ response, South jumped to 4♠, perhaps unwisely. That lit a fire under North, who not unreasonably unleashed a key-card ask. When he found South with the four missing key cards, he roared into 7♠.

That would have been a winning contract if South had held something more in line with his super-acceptance of the transfer, such as:

♠AK852 ♥AQ3 ♦K8 ♣AJ2.

As it was, declarer needed a winning diamond finesse plus a little more, and when East turned up with the ♦Q1075, the result was down two. ■

THE JEWISH NEW YEAR

ROSH HASHANAH

Sunset, September 13th

According to Jewish tradition, Rosh Hashanah, the Jewish New Year, marks the anniversary of the creation of the world.

It is a celebratory holiday, (when I Googled, all I got was

food), but there are deeper spiritual meanings to the holiday.

Judgement Day: On Rosh Hashana, God is said to inscribe the fate of every person for the upcoming year in The Book of Life or the Book of Death. The verdict is not final until

YOM KIPPUR. Rosh Hashana

marks the beginning of the Ten Days of Awe, when Jews reflect upon the past year and seek forgiveness.

YOM KIPPUR

Sunset, September 22nd

Yom Kippur, the holiest day of the year. Fasting and atonement, solemnity and Joy, the day on which we are closest to God and to the quintessence of our own souls.

It is the Day of Atonement – “For on this day He will forgive you to purify you, that you are cleansed from all your sins before God” (Leviticus 16:30)

HAPPY, HEALTHY NEW YEAR TO ALL!

LABOR DAY

September 7th, 2015

Labor Day, the first Monday in September, is a creation of the labor movement and is dedicated to the social and economic achievements of American workers. It constitutes a yearly national tribute to the contributions workers have made to the strength, prosperity, and well-being of our country.

In 1884, New York celebrated the first Labor Day Holiday. As originally proposed, the Central Labor Union urged similar organizations in other cities to follow suit and celebrate a 'workman's holiday' on that date. The idea spread with the growth of labor organizations, and in 1886, Labor Day was celebrated in many industrial centers of the country.

The vital force of labor added materially to the highest standard of living and the greatest

production the world has ever known and has brought us closer to the realization of our traditional ideals of economic and political democracy. It is appropriate, therefore, that the nation pay tribute on Labor Day to the creator of so much of the nation's strength, freedom and leadership - The American worker.

HURRICANE WARNING—is issued when hurricane conditions are expected in a specified coastal area in 24 hours or less. Hurricane conditions include sustained winds of 74 miles per hour (64 knots) and/or dangerously high tides and waves. Actions to protect life and property should be rushed to completion after the warning is issued.

PREPARATIONS BEFORE THE STORM:

1. Prepare two (2) week supply of non-perishable food. Select foods that require no refrigeration or preparation.

2. First-aid kit, paper cups and plastic utensils, non-electric can opener and utility knife, hurricane lantern and fluid, battery powered radio and flash lights with plenty of extra batteries, toilet tissue, paper towels, plastic garbage bags. Sterilize bath tub with bleach and rinse. Fill bath tub with water for back-up and flushing commode. Boil tap water before drinking unless advised otherwise by officials, store heavy plastic to cover possible broken windows,

move unanchored objects from patio inside of apartment, secure hurricane shutters. Learn in advance to shut off main valve for water and electric service in breaker panel if necessary. Take ill persons to a place where they can receive medical care. Place rolled up newspapers on interior window sills and doors to absorb possible storm water. Make arrangements to move your pets to a safe area. Do not use elevator. Turn your refrigerator and freezer to cooler settings in case power fails. Do not stock freezer with a volume of perishable goods. Stay away from windows. Be alert for tornadoes that sometimes accompany hurricanes. Remain indoors until official "All Clear" is given from the National Hurricane Center and local officials.

"COUNTY WARNING"

The county will use the emergency broadcasting system to issue instructions over the local T.V. and radio stations. Listen for specific Broward County information.

You will have a better chance of survival, if you adhere to the foregoing preparations and warnings.

TORNADO SAFETY RULES WHEN A TORNADO APPROACHES, YOUR IMMEDIATE AREA

In cities or town:

Seek inside shelter, preferably in a steel-framed or reinforced concrete building of substantial construction.

Do not remain in a trailer or mobile home if a tornado is approaching; take cover elsewhere.

In open country:

If there is no time to escape, lie flat in the nearest depression such as a ditch or ravine.

If refuges are required, same procedure will be implemented as for hurricane.

Stay away from windows.

In office buildings:

Stand in an interior hallway or on a lower floor, preferably in a basement.

In homes:

In a house or apartment with no basement, take cover under heavy furniture in the center part of the house or apartment.

As a last resort, go outside to a nearby ditch, evacuation or culvert.

TEMPORARY USE OF PLAYHOUSE AFTER A STORM AND LOSS OF ELECTRICITY

In the event that some of the buildings lose their electricity due to a storm, the building occupants can utilize the accommodations of the Playhouse providing the Playhouse has electricity and conditions permit.

In no way should anyone consider the Playhouse as a hurricane shelter!

Note: Make arrangements for your pets, as shelters will not permit any type of pets or any firearms

## PHASE I

*By Coralie*

No news from phase I.

We hope you had a good summer.

We're going to have a great season with our new restaurant, and the show season that was planned for us.

See' ya'll soon.

## PHASE II

*By Stuart Grossgold  
[stuartgrossgold@yahoo.com]*

Condolences to the family and friends of Renee Horn, 16/210, who passed away June 4th in

New York. Her son, Allen, said that she and husband Richard were snowbird residents, who lived here for over 20 years and enjoyed great times with their many friends in Hollybrook.

Welcome back, snowbirds. We hope you had a good summer.

His name is Warren David Fitzpatrick, 56/206, but he prefers to be called Fitz or David. We call him special, because he sent us over the top with money and gifts for the Christmas in July project. I know I

mentioned him in that column, but 'appreciation' is important!

Terry Stucki, 56/104 had a terrible experience. She suddenly couldn't see out of one eye. She is putting drops in her eye every hour, not moving much, and we pray she will eventually have vision in that eye.

Dear friends of Phase III and Hollybrook, As you read the September issue of the Voice, we will be less than two months away from being back in sunny Florida and the wonderful area of Hollybrook in the beautiful city of Pembroke Pines. With the weather we had in Quebec (rain, cold and cool front, lots of hail) we were thinking everyday of Florida. Anyway, time goes by so fast that we will be packing for our winter season (number 5) in early November. I cannot wait to hear my friend Jorge Casanova (51-101) asking me with a big grin on his face "Tell me Max, when are you leaving for Quebec?" He has a great sense of humor..

My favorite Editor, Madame Coralie and her husband Irv, had a serious car accident. Irv had to stay in the hospital for awhile. Hope that they are feeling better because Hollybrook still needs both of them. Have a good recovery and I look forward to the pleasure of seeing you in good shape in November.

are all happy that you both are back. You are both amazing!

Joyce Dolan (50-304) was visited by her granddaughter Rebecca & husband Ryan and with Joyce's 2 grandson's Max 6 months and Jason 3. She was so happy to visit with them and had a great time.

Joyce also continued her exercise classes throughout the summer even when there were only 3 or 4. But as we all know, come October and the class will increase substantially. I don't

know how she does it but keep on going.

Mike & Frankie Hyman (50/301) have had many visits from their sons and grandchildren over the summer. How nice is that huh?

I visited the pool last week with my granddaughter and was so impressed on how well Norma Morrison (44/101) keeps up with the beautiful flowers. It certainly keeps our pool area looking beautiful at all times.

I would love to hear from you.

*On August 13th, Hollybrook hosted a cocktail party to benefit Memorial Manor. The Manor has always been there for us, and over the past 20 years, over 250 of our people have used their facilities.*

## From your Mayor, Frank C. Ortis City of Pembroke Pines

Dear Readers:

It's been busy around the City and there are many stories to share. We were happy to learn that the National League of Cities awarded us with a "Bronze Medal in Goal III: Smart Services for Students" for establishing an active collaboration involving the city, schools and other partners to expand access to programs that offer healthy food before, during and after the school day, and/or

over the summer months. This was part of the "Let's Move" initiative we began participating in last year.

We are also proud to be holding a Patriot Day Remembrance Ceremony on Friday, September 11, 2015, 8:30 a.m. to 10:00 a.m. at the Pembroke Pines City Center Memorial, 10300 Pines Boulevard, west of Pembroke Pines City Hall. The ceremony begins with the Presentation of Colors by the City of Pembroke Pines Police and Fire Department Honor Guards. It will also include guest speakers, community leaders and patriotic music featuring local school bands and area musicians. This event is free and open to the public. I encourage everyone to please come to the ceremony to remember all those who lost their lives on this tragic day.

Recently our city dedicated

172nd Avenue to honor the memory of a former Pembroke Pines resident, Marine Lance Corporal Patrick Xavier, Jr. who was killed in action on May 18, 2010 at the age of 24 in Afghanistan. His death and those of all the men and women serving in the military should give us all pause. So many lives have been and are being lost to ensure our freedom, and that of countries around the globe. Let us honor and remember them all for their brave sacrifice.

Security cameras are now in place to ensure that the Pembroke Pines 911 Memorial remains safe from vandals. This action was in response to vandalism that occurred to the Memorial earlier this year, which included spray painting part of the sculpture, and the tearing of a piece of steel from the commemorative sculpture that depicts the twisted girders and beams from the fallen World Trade Center. The City Commission voted to install the security devices/video cameras at the site, primarily funded through the city's non-profit 911 Memorial Foundation, to ensure nothing like that happens again.

And, just a reminder that when an American flag becomes worn, faded, torn or soiled, it should be retired and replaced with a new flag. There are several ways to respectfully retire the American flag without

To make it easy to retire a flag in Pembroke Pines, a Flag Box is available on the first floor of City Hall for residents to drop off their worn, old, faded, frayed or damaged flags for proper disposal. ## "Ask Lori"

**Helpful Tax Saving Advice and Tips from  
Broward County Property Appraiser Lori Parrish**

Dear Lori:

We just received our "Do Not Pay" proposed property tax notice from your office. What is the best way to contact your office as have a few questions regarding valuations and exemptions?

The Millers, Pompano Beach, FL (via email)

Beginning August 12, the Broward County Property Appraiser will begin mailing the 2015 "Truth-in-Millage" (TRIM) Notices to property owners on behalf of the various Broward County taxing authorities. Over 768,000 "TRIM" Notices will be sent, providing property owners with their 2015 property assessment information, exemptions, proposed tax amounts and proposed tax rates. These notices also inform property owners of their right to both appeal their property assessment and to attend their various taxing authority budget hearings regarding the proposed tax rates.

**The Property Appraiser's Office does not set tax rates or collect taxes.** If you wish to discuss the proposed tax rates or new fees or fee increases on your TRIM Notice, you should contact the County Commission, School Board, City Commission and other taxing authorities. The TRIM Notice will include phone numbers for each taxing authority, as well as the schedule of public budget hearings. Each taxing body is required to hold two hearings before they set the tax rate. They welcome comments from taxpayers like you when setting their budgets and tax rates.

The Property Appraiser's Office determines the property's market value as of January 1 and grants exemptions to qualified applicants. If you believe the market value of your property is not what a buyer would reasonably pay for the property on January 1, 2015, you must contact our office or file a value petition with the Value Adjustment Board by the **September 18, 2015 deadline**. If you believe you may be eligible for an exemption you are not currently receiving you can still file of all 2015 exemption until **September 18, 2015**. You can call, e-mail or visit our office to discuss your property assessment. For residential properties, please call 954.357.6831 or email Scott Lewis at [slewis@bcpa.net](mailto:slewis@bcpa.net). For condo, co-op and timeshare properties, please call 954.357.6832 or email Maureen Morison at [mmorrison@bcpa.net](mailto:mmorrison@bcpa.net). For commercial properties, please call 954.357.6862 or email Vincent Clark at [vclark@bcpa.net](mailto:vclark@bcpa.net). For exemption questions and assistance, please call 954.357.6830 or email Kelly Brown at [kbrown@bcpa.net](mailto:kbrown@bcpa.net). Or you can contact Property Appraiser Lori Parrish at 954.357.6900 or email me at [lparrish@bcpa.net](mailto:lparrish@bcpa.net). You may visit our office located at 115 South Andrews Avenue, Room 111, Fort Lauderdale. Our office is opened weekdays from 7:00AM to 6:00PM. To better accommodate the schedules of working families, our office will be open on Saturday, August 29 and Saturday, September 12 from 8:30AM to 5:00PM.

If after speaking to one of our appraisers, you still disagree with our determination of market value, we will help you file an appeal directly with the Value Adjustment Board (VAB). All valuation petitions must be received by the VAB (115 South Andrews Avenue, Room 120, Fort Lauderdale, FL 33301) by close of business on September 18, 2015. You may also file a petition online with the VAB <https://bcvab.broward.org/axiaweb2015>. Should you have any questions the VAB, please contact their offices directly at [vab@broward.org](mailto:vab@broward.org) or 954.357.7205.

For additional information on property assessments, exemptions and the TRIM Notice, please visit [www.bcpa.net](http://www.bcpa.net) or call 954.357.6830.

## From the Desk of Carl Shechter

It's been an exciting summer.

On June 18th, at 3:30am Anita was wheeled into the operating room of Memorial West for an emergency operation that saved her life.

We want to thank all of our friends and neighbors, and all of the concerned citizens of Hollybrook, who never stopped calling and writing to make sure we knew that people cared, were thinking about her, and praying for her early and complete recovery.

Today, she's on the road to a full recovery and will soon be back with her family and friends to resume her, and our, lives.

On July 18th, by bus and private transportation, 43 of our

dedicated theater lovers attended the Susan B Katz Theater, to see Mary Poppins. As usual, my ticket holders sat front and center and enjoyed one of the best productions of the season.

Broadway Global, a national theatrical publication, named The Pembroke Pines Theater of the Performing Arts, (PPTO-PA) the #1 BEST COMMUNITY THEATER IN THE UNITED STATES, and called it "a national treasure".

I don't yet know what the next show will be, but be sure to watch this column for information and call me early for seats.

A developer who owns a big tract of land in the Everglades wants to drill an exploratory oil well on his property. This property is only 5 miles from Pembroke Pines. If oil drilling is allowed, it could cause a serious problem to our fragile water supply. I urge everyone to write, rather than e-mail, our County Commissioner, Beam Furr, and urge him to oppose this invasion.

As I reported earlier, ground has been broken, permitting is almost complete, and work on the Pembroke Pines Civic Center, City Hall and Art Gallery has already begun. Stayed tuned for updates.

Our golf course never looked better, as well it should. Last week, Dannie Riccio and I played 9 holes in an hour and

Finally, we have our restaurant back and I eagerly look forward to meeting our new restaurateur and enjoying the pleasure of sitting in our restaurant and having a fine meal with family and friends. It's been a while coming, but from all I've heard, it was worth waiting for.

I wish everyone the first Happy New Year of the season (Rosh Hashanah), and will do so again in December.

Warm regards and best wishes to all.

## **BROWARD COUNTY COMMISSIONER, BEAM FURR**

Greetings Hollybrook,

**BAMM is back!** September 2015 is **Broward Attraction and Museum Month**. If you are a member of any one of the eight participating South Florida cultural institutions, and you can visit any of the other member institutions free in the month of September. The Following is a list of the participating institutions.

- The Arts and Culture Center of Hollywood
- Cinema Paradiso
- The Historic Stranahan House Museum
- The Naval Air Station Fort Lauderdale Museum
- The Old Davie School Historical Museum
- The Plantation Historical Museum
- The Sawgrass Nature Center and Wildlife Hospital
- The Spady Cultural Heritage Museum

Terms and conditions may apply, and we encourage you to contact the participating institution that you plan to visit in advance, as admission may not be available for special events.

As a big fan of the Arts and Culture Center of Hollywood, I am looking forward to the new exhibits that are going up in September. Three new exhibits will open on September 18th.

- The Main Gallery will feature the **Seventh All-Media Juried Biennial Exhibit**
- The Project Room will feature works by **Autumn Casey**
- The Landing will feature **#acchfocus** small format images by 52 weekly winners of the **#acchfocus** Instagram Contest.

Each of these exhibits will open on September 18th and run through November 1st.

### **Broward 100 turns Downtown Hollywood Inside Out**

I had so much fun participating in the "Creatives Making a Difference in Hollywood" **Inside Out** mural project in downtown Hollywood. The Broward County Cultural Division, the City of Hollywood Downtown Community Redevelopment Agency, the Hollywood Mural Project and the Arts and Culture Center of Hollywood all helped to transform 1740 S Young Circle into a real expression of community. This project was one of many **Inside Out** projects that have been popping up across Broward County as part of Broward 100.

**Inside Out** is a global art project that gives communities all over the world a platform to express themselves through black and white photographs. Inspired by Parisian street artist JR and his large-format street pastings,

**Inside Out** gives everyone the opportunity to share their portrait and make a statement.

More importantly, it was a tremendous amount of fun to meet other Hollywood residents who came by to get their picture taken. I was so surprised at how many people came out, and I think it's a testament to the pride that people feel in this community. Next time you're downtown. Stop by and see how many of your neighbors you recognize.

Each installation around the world is documented, archived and exhibited online to tell stories of community groups. More than 120,000 people from more than 108 countries have participated.

To learn more about this project, and to see the full gallery of portraits, visit <http://www.Outsideinproject.net/en/group-actions/usa-hollywood>

### **Make Sure You Don't Miss Broward 100's Duende - October 2nd through October 4th 2015.**

Duende (art); du>en>de noun\ du-0en-(m)da\ a quality of passion and inspiration; a spirit; having soul, a heightened state of emotion, expression and authenticity. The Grand Finale of Broward 100's yearlong celebration is going to be a weekend celebration highlighting the best of Broward's creative arts, and it's being called Duende.

For more information about the weekend of activities that are being planned please visit: <http://www.broward.org/Broward100/GrandFinale>

Personally, I can't wait for the performance of **"WE"...The Passion & Rhythm of the People**.

The performance of **"WE"** will be held Saturday, October 3, 2015 at the Broward Center for the Performing Arts in the Auren Theatre.

# city & county

Tickets prices range from \$25 - \$85, not including service or handling charges. They are available through Ticketmaster, online at [BrowardCenter.org](http://BrowardCenter.org), in person at Broward Center's AutoNation Box Office or by calling (954) 462-0222.

Directed by Cirque Dreams founder and Broadway Director, Neil Goldberg, "WE" is a Broadway-style show illuminating Broward County's culture, talent and diversity with awe-inspiring performances, spectacular theatrics and stunning visuals. Renowned celebrity artists will be joined on stage by a cast of over 100 brilliantly talented South Florida musicians, dancers, poets, choirs, athletes and creative variety acts celebrating the community "WE" call home.

"WE" is presented by Broward 100 as part of **Duende**. In the spirit of celebrating creativity, Duende will bring together Broward County's diverse talent and people in a countywide finale. Thousands of

people will celebrate Duende with Broward County's 100th birthday through a mosaic of art, culture and entertainment.

**TWO IMPORTANT DATES - County Budget Hearings September 10th and 17th at 5pm.**

One of the most important things that the County Commission does every year is pass a budget. This year's Budget Hearings, where you can weigh in and tell us how you want to see your County dollars spent, will be Thursday September 10th and Thursday September 17th. Both hearings will be at the downtown government center at 115 S. Andrews Ave. Fort Lauderdale, FL 33301. Or, watch the hearings live online at, [http://broward.granicus.com/ViewPublisher.php?view\\_id=5](http://broward.granicus.com/ViewPublisher.php?view_id=5)

I hope that you can come out and join us at one of these cultural events. Lastly, congratulations to Broward County, you look pretty good for 100.

My male roommate and I mixed up our nicotine and testosterone patches. He got cranky and hungry. I got a raise and a corner office. —KAREN RIPLEY

“Did you hear what happened to Mel?” one friend said to another. “He was seeing his doctor for six months because of chest pains and shortness of breath. Last week, he dropped dead from cancer.”

“That’s terrible,” says the other friend. “Well, I told him a hundred times to go see my doctor.”

“Is he any good?”

“Good? He’s the best! If he treats you for heart problems ... you’ll die of heart problems.”

## *The Christmas In July Surprise Movie*

Was a success, although we could have had a few more people. BUT the BROWARD OUTREACH/SHELTER did very well as did the PINES POLICE STATION. This was thanks to everyone who attended and brought donations. It behooves me (good word?) to mention Warren David Fitzpatrick, Phase 3, who put us over the top with his generous donations to both the police and the homeless, and June Cashmore, Towers, who made 10 great pillow-dolls for the police hand-outs.

Taylor Delit called Broward Outreach, and Parnell Basiden, community developer, was there to urge us on and pick up the bags and bags of necessities donated for the homeless.

THE HELP! ( I know it was a movie,) but I must thank all the helping hands; all the bakers, (we had the best looking sweet table ever ); and all who attended. **Together, we did a good thing!**

## The lawyer says to the wealthy

The lawyer says to the wealthy art collector tycoon: “I have some good news

and, I have some bad news...”

The tycoon replies: “I’ve had an awful day, let’s hear the good news first?”

The lawyer says: “Well your wife invested \$5,000 in two pictures this week that she figures are worth a minimum of \$20 to \$30 million.”

The tycoon replies enthusiastically:

“Well done...very good news indeed!

You’ve just made my day; now what’s the bad news?”

The lawyer answers: “The pictures are of you with your secretary.”

## HOLLYBROOK HIDDEN TALENT

by: Angelica Schack

Because we have so many gifted and talented residents in our area, we thought it would be interesting to introduce them to you by featuring one of them each month in our new column.

Residing in the Towers is Evelyn Richin, a 96 year old avid and professional painter, whose works have been shown in galleries throughout the world, including France, Israel, Washington DC, New York, and many more cities in the United States. Closer to home she had an art exhibit "Evelyn's Passion" at the Pembroke Pines SW Focal Center in March 2014.

Evelyn studied at the Chicago Art Institute and Bradley University, and is a member of the Art Students League, and the International Society of Artists.

In 1967 she started a long and lasting association with UNICEF for which her paintings were chosen for their calendar and greeting cards. Her paintings were also chosen for "The Hundred Neediest Cases" by the New York Times in 1964 and 1969.

She prefers impressionism and abstract painting, although all her work is extraordinary. Much of her charm lies in an almost indis-

tinguishable blend of dream and reality.

Her paintings are not for sale now, and though she has an apartment filled with her most recent works, the task to sell or donate them will fall to her sons.

If you get a chance to visit her, you'll be in for a pleasant day with a lady who has given much to the world through her paintings.

## ONLY A GRANDMOTHER WOULD KNOW...

*A Cup of Tea made with cold water.*

One day my Grandma was out, and my Grandpa was in charge of me. I was maybe 2 1/2 years old. Someone had given me a little 'tea set' as a gift, and it was one of my favorite toys. Grandpa was in the living room engrossed in the evening news when I brought him a little cup of 'tea', which was just water. After several cups of tea and lots of praise for such yummy tea, my Grandma came home. My Grandpa made her wait in the living room to watch me bring him a cup of tea, because it was 'just the cutest thing!' Grandma waited, and sure enough, here I came down hall with a cup of tea for Grandpa, and she watched him drink it up. Then she said, (as only a grandma would know), "Did it ever occur to you that the only place she can reach to get water is the toilet?" **SMILE.**

*(For Your Information)*

The golf course we now use is, I'm sure, far superior to the course located here in 1968... four years before Hollybrook's inception. The developers of Hollybrook Golf and Tennis Club took over in 1972, feeling it was a natural center of activity for their proposed new community.

The course was closed to the public, December 1st, 1975, so it would be available to the 3,000 people already in residence.

*From my  
broken "boy"  
and me...*

thank you all for being the loving, caring people we always knew you were. We could paper my kitchen with the cards that came to cheer us and the telephone company appreciates all the calls....as do we. (But please forgive me for not calling back.)

I was driven up & back frm 44th street, where Irv was confined; given 2 sets of keys to cars for me & my kids use, we love you Millie. So many people took the 40 minute ride to see him that it makes me cry. Yeah it does! When I said he wasn't eating, Jim DeAngelo made a pot of soup and drove me and it to Irv.

The crash was a nightmare we will never forget, and your kindnesses will remain with us always.

## **Thank You**

In a time of stress, a friend's gift of a call or a card or just stopping to ask how your loved one is doing, is appreciated.

When Anita was rushed into the hospital, my and my family's world came to a stand still. Your prayers and caring helped us .

Anita is getting better, Thank God. Thank you all.

**Anita and  
Carl Shechter.**

## **So Long!!**

Just to say so long after 40 years in Hollybrook, Trudy and I felt it was best to move to an independent living residence. In 40 years, we have met some of the greatest people who we are lucky to call friends. We also met some of the other ilk who will be happy in their loneliness, and so good friends as the man once said, "thank you for the memories".

They are remarkable, so please take care of yourselves and perhaps we will see you down the road.

**Trudy and Sy Zucker**
